14 **ORDER**

15
16 Presently before the court is defendant Rene Oswald Cobar's motion to correct clerical error
17 and for a hearing (doc. #327) and motion for a copy of court records (doc. #333). The government
18 has not responded.

19 Motion to Correct Clerical Error

20 Defendant's motion to correct clerical error does not sufficiently explain the nature of the
21 errors he complains of, nor is it supported by a memorandum of points and authorities. Pursuant to
22 Local Criminal Rule 47-9, "the failure of a moving party to file points and authorities in support of
23 [a] motion shall constitute a consent to the denial of the motion." As defendant has failed to file any
24 points and authorities in support of his motion, and as the motion does not sufficiently describe the
25 relief which defendant seeks, the court will deny the motion.
